AGRICULTURAL Business Plan Competition

#KauaiPlan2Win

CASH PRIZES

and a chance to learn from & network with experienced investors, entrepreneurs, and other leaders in the food and agriculture industry

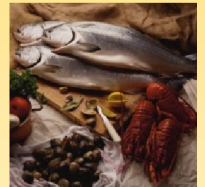

Creating and growing a business is no joke. Times are challenging, but opportunities are immense! If you want to start a food or agriculture business, or you want to take your existing business to the next level, you want to join Kauai Economic Development Board's **2nd Kauai Coffee Agricultural Business Plan Competition!** It's comprehensive business planning training, mentorship, networking with potential partners and investors, potential access to land and other resources – all wrapped up in ONE PROGRAM!

Participate and explore the heights of your potential. Don't miss your chance to become a leader in Kauai's food and agriculture scene! Attend any (or all) of our FREE informational sessions across Kauai to learn about the program structure, eligibility requirements, and other important details and to build your networks – see *locations, times and dates below*.

Benefits:

- Create a highly marketable business plan
- Receive training from top-notch agriculture faculty in Hawaii
- Connect with experienced farmers, food producers, restaurateurs, retailers, and other experts
- Network with potential investors
- Compete to win part of a prize pool of more than \$30,000, ongoing incubation services, land and more!

For the more details and updates, check out the Kauai Coffee Agricultural Business Plan Competition webpage at www.kedb.com/abpc or contact Jackie Kaina at KEDB at (808) 245-6692 or jkaina@kedb.com.
